### Seniors:

The Reach Higher initiative is a national effort to inspire every student in American to take charge of their future by completing their education past high school, whether at a professional training program, the Armed Services, a community college, or a four-year college or university. Our LHS celebration will include a group photo of our seniors wearing their college/university, military, or Accepted t-shirt as well as pennant signing so our seniors can let us know where they're headed in the fall. Please contact the Counseling Office with any questions.

**Transcripts:**

Lamphere High School has teamed with Parchment for secure, electronic transcript processing. Click [here](#) to visit the LHS Counseling website/Transcript Request page for more information. A final transcript must be sent to the college/university each student is attending. Information will be shared in an upcoming Advisory session.
